August 2022

The 11th edition of Passione Engadina, international icon among Italian classic cars gatherings, will take place in 2022. This year, our Guest Sponsor will be Bugatti, important and historical French brand with a meaningful connection with the Italian territory, where Ettore Bugatti was born (Milan).

This year as well you will see some of the most spectacular and renowned cars. Registration is open to 100 Bugatti or Italian classic cars manufactured up to 1992 and, potentially, to some noteworthy sportscars, at the organizer's discretion.

Some of the Highlights scheduled during the three days: Ladies' Cup, Julius Baer Rally, St. Moritz Challenge Cup and Elegance in Movement, the unconventional concourses d'élégance made in Passione Engadina.

COVID-19 PROTECTED EVENT

Passione Engadina puts its participants' health first. Thus, we continuously update our dedicated plan that allowed a safe organization of the events during the previous editions.

Bugatti's story is one of genius, dedication, perseverance and this brand represents without doubt an icon in the automotive world. Cars famous for their elegance, fair play, power and speed will be the protagonists of the next edition of Passione Engadina in the setting of St. Moritz and the Engadin.

Eleganza in Movimento

Passione Engadina has decided to create a different Concorso d'Élégance if compared to classic and static versions. That's how Elegance in Movement came into being, thanks to classic cars of absolute beauty, a high reputation jury lead by Lorenzo Ramacciotti, the allure of St. Moritz and the extraordinary "passion" stories of the owners of these amazing cars, judged according to uncommon standards and, above all, while in motion.

The Crews

A light-hearted challenge among crews for the most different name: fun is guaranteed and our participants are ready to give battle to win the "Loving Cup" and the winner title.

An All Year Round Event

A group of friends, collectors, enthusiasts who meet again during the event and the side events organized by Passione Engadina all year round: cocktail parties, exclusive dinners, openings and much more.

St. Moritz and the Engadin

It's called the Top of the World, and the mix of beauty that St. Moritz and the entire Engadin can offer remains truly the element of attraction that integrates the passion for cars. Which are mostly red and, with the green of the mountains in the background, become gorgeous.

Gli Amici di Passione Engadina

After participating in five editions, your loyalty is awarded with a golden brooch, which will allow you to taste a Franciacorta Plozza cup at the Kulm Country Club, with a toast under Passione Engadina's palmars, as a gesture of friendship and a prize for your trust.

Pigna Verde

With Pigna Verde you don't simply purchase a CO₂ certificate, but you also participate in real projects. It is a sustainability fund allowing several environmental programs along our Cantons' mountain roads and passes, particularly connected with the Engadin's beautiful routes.
